Ballroom I and II Our most popular courses! *"Survival Dancing"* made fun and easy. Note--there are *three sections* (12 lessons) in BR I and the same in BR II, *always packaged as follows:*

*Waltz, Single Swing & Cha Cha
Foxtrot, Triple Swing & Rumba
Tango, Foxtrot & Waltz*

Do 1, 2 *or all 3 sections*, yes even all at one time, within 4 weeks. **The closer you keep them, the better you'll do!** Double selections offered nightly so you can make it through these get-by levels faster, and make it more worth your trip in. The dances are inter-related, so learning is effortless. Get great exercise and great results at a **minimal expense** -- they're cheaper by the dozen! **It doesn't matter which section(s) you start with;** however, before graduating to BR II, all 3 BR I's are prerequisite. They give you the style, "steering", and struggle-free prep necessary for the more advanced BR II level, and you can even take 2 in 1 night without getting confused. (Foxtrot and Waltz cover a lot of extra "driving skills", and how to avoid clunking, crashing and traffic tickets. You might even get an official "dancer's driver's license" upon completion of all 12 lessons.) See numerous time slots above.

Ballroom III - to - VII Get ready to take your dancing to the next level! Discover how to look and feel like a more accomplished dancer. Focus on more advanced steps & form while developing your poise and rhythm. See above for class times. (Pre-requisite courses or private hours needed.)

Salsa I, II & III Good stuff! Learn all the latest steps done at the clubs! This series has a beginner level with **NO** pre-requisites. Learn fast, learn lots! Beg. and Int. taught Wed. & Thurs., Adv. taught Tues.

West Coast Swing classes are a natural for producing some of the best **lead/follow** students & **rhythm** development. It's easier to master than you think, with plenty of **exciting patterns and groupings**. Adv. taught Mon., Beg. & Int. taught Wed.
